OPPORTUNITIES FOR INVESTMENT

We seek the following types of partnerships for our irrigated farming development:

- Direct investment only;
- Investment/business partnership;
- Lease to a cropping developer;
- Share-farming partner;
- Partner with cropping experience; or
- Partner with cropping & marketing expertise;

We are interested in discussing your interest in working with us to develop the following crops which may include, but are not limited to, the production of cotton, rice, sugar, mung beans, soy beans, chick peas, maize, hay, sorghum (forage and grain) and table grapes.
